**Victoria Chinatown Care Centre**

555 Herald Street  
Victoria, BC V8W 1S5

Dear Staff, Residents and Families of the Victoria Chinatown Care Centre:

**RE: Announcing the new Director of Care (Temporary Full Time)**

I hope that this letter finds you all safe and well during these extraordinary times. On behalf of the entire Board of Directors of the Victoria Chinatown Care Society, I am pleased to introduce to you Mr. Alan Wong, who will be our new Director of Care (Temporary Full Time) between November 9, 2020 and May 31, 2022. Alan will cover for our current DOC Ramneet Sandhu, who will be starting her maternity leave at the end of February 2021 for a year. While Ramneet is working at the Care Centre on both sides of her maternity leave, Alan will assist Ramneet (and Shivaun), and provide much needed and welcomed support to the entire team.

Mr. Wong is from Calgary, Alberta and brings nearly 30 years of health care experience to our Care Centre. Most recently he was the Client Service Manager for Carewest (13 sites in Calgary) providing administrative, training, and clinical support. Alan has a Diploma of Nursing from Foothills Hospital School of Nursing and he is fluent in English and Chinese (Cantonese, Mandarin and Taishan dialects).

We are thrilled and honoured to welcome Alan Wong and his wife to beautiful Victoria, British Columbia and to the Victoria Chinatown Care Centre.

Sincerely,

Dan Huang, President  
Victoria Chinatown Care Society
